

Dear WellWorks Members:

This is to inform you of a programmatic change affecting WellWorks members. Beginning July 1, 2008 your WellWorks membership will no longer include access to the Aquatic Center for lap swim. WellWorks will continue offering aqua aerobic classes scheduled on a quarterly basis through our group exercise department. This change is due to a restructuring of the financial arrangement between WellWorks and the Aquatic Center.

I am sorry for any inconvenience this change will be to you. I am very proud of the quality of programs and services offered to WellWorks members and want to continue providing those programs at a reasonable cost.

I know that many individuals will choose to become members of both WellWorks and the Aquatic Center. Aquatic Center membership information can be found at the following website link:

<http://www.ohiou.edu/recreation/ac/index.htm>.

However, should you choose to discontinue your WellWorks membership we will refund the unused portion at your request.

Thank you for being a WellWorks member. Please feel free to contact me at 593-2662 or valentou@ohio.edu with your questions.

Sincerely,
Kim Valentour
WellWorks Director
